Nirvana Cosmopolitan, Turkey

SPORTLICHE INFRASTRUKTUR:

- **5 multipurpose indoor sport courts (4 of which are with parquet floors and 1 of which are polyurethane)**
- **4 professional basketball courts that comply with FIBA norms**
- **Polyurethane flooring that conforms to CEV norms**
- **5 Sets of Volleyball Net-Direct Equipment**
- **3 professional tennis courts**
- **Gym and fitness equipment**
- **and more...**

Designed with the mediterranean spirit, Nirvana Cosmopolitan offers a concept that harmonizes the city's possibilities with the coastal vacation. The facility has two important values that make a difference in the region; with cosmos city & performance hall, the facility hosts important congresses and meetings, magnificent wedding organizations, various product launches and art-filled days and, since it has special sports fields built in accordance with professional dimensions, it provides high level service to sports camps. Going beyond the usual all-inclusive food and beverage concepts, with local & healthy foods, the concept of healthy life is at the forefront at every stage. With this unorthodox and significant change, the difference of a whole new perspective is being felt by the guest.

De Rode Loop Sports Hall, Belgium
